#### **Professional Preparation**

August 1982 – July 1986

Ph.D., University of Florida, Gainesville, FL. Major: Speech. Minor: Gerontology. Specialty Area: Phonetics. Dissertation: Age-related differences in articulatory physiology among adult females. Dissertation Supervisor: W. S. Brown, Jr.

August 1978-May 1982

M.A., Memphis State University, Memphis, TN. Major: Audiology and Speech Pathology. Specialty Area; Speech Pathology. Thesis: A histomorphological study of the connected tissue boundaries of the vocal folds in adult human males. Thesis Supervisor: Joel C. Kahane

September 1969-March 1971;  
September 1976- June 1978

B.A., Michigan State University, East Lansing, MI. Major: Audiology and Speech Sciences

#### **Sabbatical Study**

January 2009 – April 2009

One semester sabbatical awarded by Florida State University to pursue research on choral acoustics. Research activities in Tallahassee, FL, and New York, NY.

#### **Professional Credentials**

1981 Certificate of Clinical Competence, American Speech Language Hearing Association (00685230)

1988 Licensed Speech-Language Pathologist, State of Florida (SA 572)

#### **Professional Experience**

August 2009 – Present

Professor, School of Communication Science and Disorders, Florida State University. Responsible for directing the Speech and Voice Laboratory, conducting research on the acoustics, physiology, and perception of voice and speech; teaching courses in anatomy and physiology, acoustics for speech and hearing, voice disorders, seminars on acoustics and voice/speech/ singing, advising undergraduate students; serving on and chairing department, college, and university committees, serving on professional committees.

- August 1994 – July 2009 Associate Professor, Department of Communication Disorders, Florida State University. Responsible for directing the Speech and Voice Laboratory, conducting research on the acoustics, physiology, and perception of voice and speech; teaching courses in anatomy and physiology, acoustics for speech and hearing, voice disorders, seminars on acoustics and voice/speech/ singing, advising undergraduate and master's level students; serving on and chairing department, college, and university committees, Faculty Senator, serving on professional committees. Department Chair, July 2002-June 2004
- August 1988 - July 1994 Assistant Professor, Department of Communication Disorders, Florida State University. Responsible for conducting research on the acoustics, physiology, and perception of voice and speech; teaching courses in voice science, voice disorders, counseling for speech-language pathologists, seminars on acoustics and voice and speech, advising masters level students; serving on department and college committees, Serving on professional committees.
- Sept. 1986 - June 1988 Assistant Professor, Department of Communication Disorders, University of Utah. Responsible for directing the Speech and Voice Laboratory, conducting research on the acoustics, physiology, and perception of voice and speech; teaching courses in anatomy and physiology, acoustics for speech and hearing, motor speech disorders, seminars on acoustics and voice and speech, advising undergraduate students; serving on department and college committees.

### **Honors and Awards**

- Nominated, Award for Excellence in Undergraduate Advising, Florida State University, January 2009
- Nominated, Senior Thesis Mentor Award, Florida State University, February 2008
- Nominated, Award for Excellence in Undergraduate Teaching. Florida State University. January 2002, 2005
- Award for Excellence in Undergraduate Teaching. Florida State University. April 2001
- Professor of the Year Award. Lambda Pi Eta Communication Honor Society. Florida State University. April 1995
- Teaching Incentive Award. Florida State University. Spring 1994
- Nominated for National Student Speech Language Hearing Association Advisor Honors. Florida State University. May 1990

### **Membership in Professional Organizations**

- American Speech-Language-Hearing Association
- American Speech-Language-Hearing Association Special Interest Division #3, Voice and Voice Disorders
- Acoustic Society of America
- American Association of Phonetic Scientists
- Florida Chapter – Acoustic Society of America
- The Voice Foundation
