

Curriculum Vitae
Elizabeth Brookshire Madden

August 22, 2022

General Information

University address: Communication Science and Disorders
 College of Communication and Information
 201 W. Bloxham St., Warren Bldg.
 Florida State University
 Tallahassee, Florida 32306-1200

E-mail address: ebmadden@fsu.edu

Professional Preparation

- 2016 Doctor of Philosophy, University of Washington. Major: Speech & Hearing Sciences. Aphasia. Supervisor: Dr. Diane Kendall.
- 2009 Master of Science, Vanderbilt University. Major: Speech-Language Pathology.
- 2007 Bachelor of Science, Vanderbilt University. Major: Human & Organizational Development.

Professional Credential(s)

- 2010–present American Speech-Language-Hearing Association (ASHA) Certificate of Clinical Competence in Speech-Language Pathology (CCC-SLP).
- 2016–2017 State of Florida Speech-Language Pathologist License.
- 2010–2016 State of Washington Speech-Language Pathologist License.

Professional Experience

- 2016–present Assistant Professor, COMMUNICATION DISORDERS, Florida State University.
- 2012–2014 Speech-Language Pathologist, Speech-Language Pathology, Highline Medical Center.

- 2010–2012 Research Speech-Language Pathologist, Rehabilitation Research and Development, VA Puget Sound Healthcare System.
- 2009–2010 Speech-Language Pathologist Clinical Fellow, Speech-Language Pathology & Audiology, VA Tennessee Valley Healthcare System.

Honors, Awards, and Prizes

- FSU Undergraduate Teaching Award, FSU (2020). (\$2,000).
SCSD Faculty Teaching Award, FSU SCSD (2020).
ASHA Research Mentoring Pathways Program, American Speech-Language-Hearing Association (2019).
Editor's Award for the Language Section of the Journal of Speech, Language, and Hearing Research, American Speech-Language-Hearing Association (2016).
Research Symposium in Clinical Aphasiology Student Fellowship, National Institute on Deafness and Other Communication Disorders (2016).
Academy of Neurologic Communication Disorders and Sciences Conference Student Fellowship, American Speech-Language-Hearing Association (2015).
New Century Scholars Doctoral Scholarship, American Speech-Language-Hearing Association (2015). (\$10,000).
NIH/NIDCD T32 Training Grant in Speech and Hearing Sciences recipient, University of Washington (2015).

Current Membership in Professional Organizations

- Academy of Aphasia
Academy of Neurologic Communication Disorders and Sciences (ANCDS)
American Speech-Language-Hearing Association (ASHA)
Neurogenic Speech and Language Disorders Special Interest Group (SIG) of ASHA

Teaching

I am fortunate to have the opportunity to teach the next generation of speech-language pathologists. At the undergraduate and graduate level, my courses are focused on acquired communication disorders.

Courses Taught

- Seminar in Neuropathologies: Aphasia (SPA6231)
Acquired Neurolinguistic and Cognitive Disorders (SPA 5254)
Neurological Bases of Communication (SPA 4104)
Directed Individual Study (SPA5906)
Directed Individual Study (SPA 4905)
Honors Thesis in Communication Disorders (SPA 4970)
Applications of Research in Communication Sciences and Disorders (SPA 3801)

Graduate Thesis (SPA 5971)
Acquired Communication Disorders (SPA 4257)
Introduction to Communication Sciences and Disorders (SPA2001)

Doctoral Committee Member

Staples, R., doctoral student. *Towards individualized therapies for acquired reading disorders.*

Master's Committee Chair

Archer, A., graduate. (2021). *Impact of walking on spoken language production in persons with aphasia.*

Vilfort-Garces, A., graduate. (2021). *Impact of aphasia on caregiver friendship and social network.*

Dobrowolski, C., graduate. (2019). *Examining oral reading and reading comprehension in aphasia.*

Master's Committee Member

Alfonso, E., graduate. (2022). *Use of a single sensor to detect articulatory deficits in Parkinson's disease: A feasibility study.*

Davis, E., graduate. (2021). *Phonomotor Treatment Delivery via Telepractice Service Delivery.*

O'Toole, M., graduate. (2021). *Speech Motor Learning Approach to Apraxia of Speech Treatment.*

Bachelor's Committee Chair

Willette, J., student. *Impact of Aphasia on Reading and Writing: Speech-Language Pathologists' Views and Practices.*

Archer, A., student. *Cognitive-linguistic influence on gait in chronic aphasia.*

Bachelor's Committee Member

Graeff, A., student. *Limited English Proficient Verb Errors.*

Flechaus, C., student. *Improvement of Intelligibility of Hyperkinetic Dysarthric Speech after Lexical and Somatosensory Feedback.*

Montalvo, M., student. *The effects of texting-and-walking on parameters of gait in children.*

Supervision of Student Research Not Related to Thesis or Dissertation

Mauck, D. (Oct 2016–Apr 2018).

Research and Original Creative Work

I study language processing in individuals with aphasia. Aphasia is an acquired language processing disorder, which is typically caused by a stroke in the left cerebral hemisphere. My work includes behavioral rehabilitation studies of aphasia that aim to improve communication abilities and quality of life of individuals living with aphasia and inform the clinical practice of speech-language pathologists working with individuals with aphasia.

Presentations

Refereed Presentations at Conferences

- Staples, R., Boukrina, O., Khoudary, A., Giordano, N., Karim, D., Madden, E. B., & Graves, W. (submitted). *Simulating individual differences in response to alexia therapies*. Presentation submitted for approval.

- Madden, E. B., Therrien, M., Wallace, S., Bislick, L., & Goff-Albritton. (accepted). *Aphasia and Friendship: What do Stroke Survivors, Care Partners, and Speech-Language Pathologists Have to Say?* Presentation to be given at American Speech Language Hearing Association Convention, American Speech Language Hearing Association. (International)
- Graves, W., Boukrina, O., Khoudary, A., Giordano, N., Karim, D., Staples, R., & Madden, E. B. (accepted). *Comparing treatments for central alexia as predicted by computational models of reading: A preliminary case series.* Presentation to be given at Academy of Aphasia, Academy of Aphasia. (International)
- Staples, R., Boukrina, O., Khoudary, A., Giordano, N., Karim, D., Madden, E. B., & Graves, W. (accepted). *Computer simulations of phonomotor therapy predict improved recovery for severe phonological alexia.* Presentation to be given at Academy of Aphasia, Academy of Aphasia. (International)
- Lu, T., Castillo, M., Chan, C., Goff-Albritton, R., Madden, E. B., Riley, J., Gooding, L., & VanWeelden, K. (accepted). *Experiences of People with Aphasia in an Interdisciplinary Aphasia E-Choir?* Poster presentation to be given at American Speech Language Hearing Association Convention, American Speech Language Hearing Association. (International)
- Madden, E. B. (accepted). *Rehabilitation of Reading and Spelling after Stroke: Client and Clinician Perspectives and Preferences.* Presentation to be given at American Speech Language Hearing Association Convention, American Speech Language Hearing Association. (International)
- Purdy, M., & Madden, E. B. (accepted). *The relationship between spoken language skills and reading in aphasia.* Poster presentation to be given at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, San Diego, CA. (International). (Cancelled due to COVID-19)
- Madden, E. B., Bislick, L., Therrien, M., Goff-Albritton, R., & Wallace, S. (presented 2022, July). *The Impact of Aphasia on Friendship: Reflections from Stroke Survivors.* Poster presentation at International Aphasia Rehabilitation Conference, Aphasia Access, Philadelphia, PA. (International)
- Madden, E. B., Bislick, L., Wallace, S., Goff-Albritton, R., & Therrien, M. (presented 2022, May). *Impact of Aphasia on Friendship: Stakeholder Perspectives and Next Steps.* Presentation at the meeting of Clinical Aphasiology Conference. (International)

- Hawkins, H., Powell, M., Talamo, I., Bislick, L., Goff-Albritton, R., Madden, E. B., Therrien, M., & Wallace, S. (presented 2021, November). *Effect of Aphasia on Friendship Maintenance and Development: A Case Study Exploration*. Poster presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Washington, DC. (International)
- Vilfort Garces, A., Therrien, M., Constantino, C., & Madden, E. B. (presented 2021, November). *Friendship Changes in the Lives of Caregivers of People with Aphasia*. Poster presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Washington, DC. (International)
- O'Toole, M., Bislick, L., Englehoven, A., Madden, E. B., & Van der Merwe, Anita. (presented 2021, November). *The Speech Motor Learning Approach to Apraxia of Speech Treatment via Remote Delivery*. Poster presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Washington, DC. (International)
- Mayer, J., Madden, E. B., Sandberg, C., & Mozeiko, J. (presented 2021, May). *Therapeutic effects of aerobic exercise in stroke and aphasia recovery*. Presentation at Clinical Aphasiology Conference, Clinical Aphasiology Conference, Virtual due to COVID. (International)
- Staples, R., Plaut, D., Binder, J., Boukrina, O., Madden, E. B., Barrett, A. M., Martin, N., Hillis, A., & Graves, W. (presented 2020, October). *Simulating multiple sources of surface alexia in a computational model of reading*. Poster presentation at Society for the Neurobiology of Language, Society for the Neurobiology of Language. (International)
- Graves, W., Staples, R., & Madden, E. B. (presented 2020, October). *Simulating phonological alexia and its phonology-focused treatment*. Poster presentation at Academy of Aphasia, Academy of Aphasia, Virtual due to COVID. (International)
- Hinckley, J., Brice, A., Bislick, L., Broussard, T., Caputo, M., Englehoven, A., Kurnal, J., Lenius, K., Madden, E. B., & Morgan, J. (presented 2019, November). *Clinicians, Researchers, & Consumers Collaborating: Project BRIDGE*. Presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Orlando, FL. (International)
- Cathryn Dobrowolski, Kaity Lansford, & Madden, E. B. (presented 2019, November). *Examining Oral Reading & Reading Comprehension in Aphasia*. Presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association. (International)
- Flechaus, C., Lansford, K., Centrone, A., Madden, E. B., Morgan, M., & Borrie, S. (presented 2019, November). *Imitate This: The Effects of a Vocal Imitation Task on the Intelligibility of Hyperkinetic Speech*. Presentation at American Speech Language

- Hearing Association Convention, American Speech Language Hearing Association, Orlando, FL. (International)
- Silkes, J., Kendall, D., Castro, N., Bislick, L., Madden, E. B., Zimmerman, R., & Hunting Pompon, R. (presented 2019, November). *Maximizing Outcomes in Restorative Aphasia Treatment: Models, Measures, & Predictors*. Presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Orlando, FL. (International)
- Therrien, M., Madden, E. B., Kriedler, A., Jurich, K., & Furukawa, S. (presented 2019, November). *Perspectives of SLPs on Friendship Maintenance & Development for Clients With Aphasia*. Poster presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Orlando, FL. (International)
- Lu, T. Y., Goff-Albritton, R., Darrow, Alice-Ann, & Madden, E. B. (presented 2019, November). *Systematic Literature Review on Music Therapy for Psychological Outcomes & Aphasia*. Poster presentation at American Speech Language Hearing Association Convention, American Speech Language Hearing Association, Orlando, FL. (International)

Invited Lectures and Readings of Original Work

- Madden, E. B. (2021, July). *Communication Strategies for Stroke Survivors and Communication Partners*. Delivered at TMH Memory Disorders Clinic and Stroke Support Group, Virtual due to COVID. (Local)
- Madden, E. B. (2021, April). *Understanding Primary Progressive Aphasia*. Delivered at Alzheimer's Project, Inc, Tallahassee, FL. (Local)
- Madden, E. B., & Therrien, M. (2019, July). *Making and Keeping Friends After Stroke or Brain Injury*. Delivered at Brooks Rehabilitation, Brooks Rehabilitation Center for Aphasia, Jacksonville, FL. (State)

Madden, E. (2018, November). *Learning to Read and Write Again*. Delivered at FSU Institute for Successful Longevity, Tallahassee, FL. (Local)

Madden, E. (2017, May). *Current Approaches in Aphasia Rehabilitation*. Delivered at FSU, School of Communication Science and Disorders, Tallahassee, FL. (Local)

Madden, E. (2017, February). *Acquired Reading Impairment Post-Stroke: Examination and Rehabilitation*. Delivered at FSU Institute for Successful Longevity, Tallahassee, FL. (Local)

Contracts and Grants

Contracts and Grants Funded

Madden, E. B., Graven, L., Constantino, C., & Schluck, G. (May 2022–Apr 2023). *Exploring the impact of aphasia on the friendships of caregivers of stroke survivors with aphasia*. Funded by FSU Council of Research and Creativity. Total award \$25,000.

Madden, E. B., & Nimmons, E. (May 2022–Apr 2023). *Implementing Literacy Treatment for Aphasia in the Clinical Setting*. Funded by FSU School of Communication Science and Disorders. Total award \$4,000.

Graves, W., Boukrina, O., & Madden, E. B. (Feb 2022–Jan 2023). *Comparing phonological and semantic treatments for central alexias in persons with aphasia*. Funded by New Jersey Health Foundation. Total award \$35,000.

Madden, E. B. (May 2020–Aug 2020). *Client and Clinician Perspectives on Reading and Writing after Stroke and Aphasia*. Funded by FSU Council on Research and Creativity. Total award \$14,000.

Madden, E. (May 2018–Aug 2018). *Comprehensive Reading and Spelling Treatment for Aphasia: A pilot study*. Funded by FSU Council on Research and Creativity (CRC). Total award \$20,000.

Contracts and Grants Pending

Graves, W., Plaut, D., Boukrina, O., Madden, E. B., & Hillis, A. (Jul 2022). *Evidence-based modeling approaches to customizing treatment for central alexias*. Submitted to NIDCD/NIH.

Boukrina, O., Graves, W., Madden, E. B., & Sandroff, B. (Jun 2022). *Improving Reading Competence in Aphasia with Combined Aerobic Exercise and Phonomotor Treatment*. Submitted to NIDCD/NIH.

Contracts and Grants Denied

Graves, W., Madden, E. B., Hillis, A., Barrett, A. M., Binder, J., Martin, N., Plaut, D., & Boukrina, O. (Oct 2020). *Evidence-based modeling approaches to customizing treatment for central alexias*. Submitted to NIH/NIDCD.

Madden, E. B. (Apr 2020). *Written Language Treatment for Aphasia*. Submitted to American Speech Language Hearing Association.

Madden, E. B. (Apr 2019). *Written Language Treatment for Aphasia*. Submitted to American Speech Language Hearing Foundation.

Madden, E. (Dec 2018). *Impact of aphasia on reading and writing: Insiders' perspectives*. Submitted to FSU Council on Research and Creativity.

Brookshire, C. E. (Aug 2015). *The relationship between spoken and written language abilities: an exploration of the primary systems hypothesis in chronic aphasia*. Submitted to National Institute on Deafness and Other Communication Disorders (NIDCD).
