EDUCATIONAL BACKGROUND

- 2012 Ph.D., Arizona State University, Tempe, AZ. Major: Speech and Hearing Science. Supervisor: Dr. Julie Liss.
Dissertation: *Degraded vowel acoustics and their perceptual consequences in dysarthria.*
- 2006 M.S., Arizona State University, Tempe, AZ. Major: Speech-Language Pathology
- 1999 B.S. University of Arizona, Tucson, AZ. Major: Speech and Hearing Science, *Cum Laude*

EMPLOYMENT HISTORY

- 2022-present Graduate Academic Advisor, Distance Learning, School of Communication Science and Disorders, College of Communication and Information, Florida State University
- 2018–present Associate Professor, School of Communication Science and Disorders, College of Communication and Information, Florida State University
- 2019-2022 Graduate Program Director, School of Communication Science and Disorders, College of Communication and Information, Florida State University
- 2012–2018 Assistant Professor, School of Communication Science and Disorders, College of Communication and Information, Florida State University
- 2009-2012 Lab Manager, Motor Speech Disorders Lab, *Director:* Dr. Julie Liss, Department of Speech and Hearing Science, Arizona State University
- 2006-2012 Research Associate, Motor Speech Disorders Lab, *Director:* Dr. Julie Liss, Department of Speech and Hearing Science, Arizona State University

HONORS AND AWARDS

- 2024 ASHA Fellow
- 2022 College of Communication Leadership Award
- 2020 Florida State University Undergraduate Teaching Award
- 2020 Florida State University Distinguished Teaching Award nominee

2018	ASHA Students Preparing for Academic-Research Careers (SPARC) Award Mentor. (Mentee: Megan Hirsch)
2018	Florida State University Graduate Teaching Award nominee
2018	Provost's Faculty Travel Grant Award Recipient (\$1000)
2017	School of Communication Science and Disorders Outstanding Faculty Teaching Recognition Award
2017	Provost's Faculty Travel Grant Award Recipient (\$1000)
2017	Florida State University Graduate Teaching Award nominee
2016	National Institutes of Health - Loan Repayment Program Competitive Renewal Award
2016	Florida State University Graduate Teaching Award nominee
2015	Florida State University Undergraduate Teaching Award
2015	School of Communication Science & Disorders Faculty Research Recognition Award
2014	National Institutes of Health - Loan Repayment Program Award
2014	School of Communication Science & Disorders Outstanding Faculty Award
2011	Fellowship to attend the 9 th Annual Lessons for Success conference hosted by the American Speech-Language and Hearing Association (ASHA)
2009	Editors' Award for the Speech section of the Journal of Speech, Language and Hearing Research (JSLHR) for article entitled "Quantifying speech rhythm deficits in the dysarthrias"
2007	Marilyn Miller Quintana Moline Scholarship recipient
2007	Scholarship awarded by the American Speech-Language Hearing Foundation to attend the 1 st Annual Council on Academic Programs in Communication Sciences & Disorders (CAPCSD) Summer Institute at the University of Iowa
2006	Arizona State University Graduate College Fellowship recipient
2005	Arizona State University Graduate College Fellowship recipient

SPECIAL TRAINING

Teaching in the Disciplines Course Design Institute; Center for Advancement of Teaching – Florida State University, Summer 2024

Grant Review and Reviewer Training (GRRT) invited annual workshop co-hosted by ASHFoundation and ASHA, June-August, 2023

Leadership Professional Development Training invited bimonthly workshop hosted by Florida State University, 2021-2022 AY

Course Design Institute; Center for Advancement of Teaching – Florida State University, Summer 2018

Lessons for Success: Developing the Emerging Scientist workshop hosted by the American Speech-Language and Hearing Association (ASHA) in Rockville, MD, April 27-30, 2011

Compumedics Neuroscan School for EEG data collection and analysis, September 5-7, 2007

Summer Institute in Communication Sciences & Disorders (SICSD) hosted by the Council of Academic Programs in Communication Sciences & Disorders (CAPCSD) at the University of Iowa, June 18-July 13, 2007

PROFESSIONAL AFFILIATIONS

Member, American Speech-Language-Hearing Association, 2013-present

Member, American Speech-Language-Hearing Association Special Interest Group: 19 – Speech Science; 2 – Neurogenic Communication Disorders

Member, Acoustical Society of America, 2008-present

RESEARCH AND SCHOLARSHIP

GRANTS

Extramural Awards - Current

Lansford, K.L. (Role: co-PI; S. Borrie). “Listener training for improved intelligibility of people with Parkinson’s disease.” NIH/NIDCD, 1R01DC020930-02. Grant period: July 2024 – June 2029. Amount \$2.2 million.

Lansford, K.L. (Role: PI) “Speaker and listener strategies to improve intelligibility in Parkinson’s disease.” Parkinson’s Foundation Impact Award, PF-IMP-1045942; Grant period: July 2023–June 2025. Amount \$150,000

Extramural Awards - Completed

Lansford, K.L. (Role: co-PI; S. Borrie). “Perceptual training for improved intelligibility of dysarthric speech.” NIH/NIDCD, R21DC018867, Grant period: July 1, 2020-June 30, 2023. Amount \$275,000

Lansford, K.L. (PI). “Use of crowdsourcing to assess the ecological validity of perceptual learning paradigms in dysarthria.” ASHFoundation, New Century Scholars Research Grant. Awarded: November, 2014. Amount \$10,000.

Lansford, K.L. (PI). “Perceptual similarity in dysarthria and the implications for learning.” ASHFoundation, Speech Science Research Grant supported by the Dennis Klatt Memorial Fund. Awarded: November, 2012. Amount: \$5000.

Lansford, K.L. (PI; Sponsored by J. Liss). "Framework for a perceptual taxonomy of dysarthric speech." NIH/NIDCD, 1F31 DC010093. Award period: May 1, 2011-April 30, 2012. Amount: \$30,690.

Intramural Awards - Completed

Lansford, K.L. (PI). "Listener-targeted training for improved understanding of dysarthric speech." Committee on Faculty Research Support, Council on Research & Creativity, Florida State University. Project cycle: 2022-2023. Amount: \$20,000.

Lansford, K.L. (PI). "Perceptual consequences of similar-sounding speakers with dysarthria." Committee on Faculty Research Support, Council on Research & Creativity, Florida State University. Project duration: 2013-2014. Amount: \$14,000.

Lansford, K.L. (Principal Investigator). "Perceptual similarity in dysarthria." First-Year Assistant Professor award, Council on Research & Creativity, Florida State University. Project duration: May 2012-2013. Amount: \$20,000.
